THIS IS MY Philosophy

I am a photographic artist who is passionate about the value of experiences, relationships, and **CAKE**

OUR SESSION is not just about PICTURES

it is a *full service* experience
THAT **ONE** ON **ONE** CONSULTATION
BEGINS WITH A

and wraps up with the delivery of *beautifully packaged* one of a kind artwork for your home.

I CREATE AND CAPTURE STORIES FOR MY CLIENTS. EACH OF US HAS MANY STORIES TO TELL.

every session is based on a **CUSTOM CONCEPT** unique to you and your personal story

The story that we create together can be based on a significant event in your life like a

» » *proposal* or a *wedding* « «

a favorite song or movie, a romantic notion, a flight of fancy, or a figment of your imagination.

THE POSSIBILITIES ARE ENDLESS

Just because your wedding isn't going to be a big event doesn't mean it isn't a big deal.

Small Event Coverage Includes:

- * Up to 2 HOURS of coverage, Monday - Thursday
- * Documentary coverage of the ceremony itself as well as the events leading up to and immediately following the ceremony
- * special portrait session for you and your new husband at a nearby location. This can be a park, a cool looking neighborhood, or your favorite coffee shop. There are great locations everywhere.
- * All of the images will be edited to the standard that you see on my blog and website (no shoot and burn here!) and delivered to you 2-3 weeks after your event on a custom photo cd with a release that allows you to use the images for personal use.
- * All of the images are high resolution, non-watermarked images and will produce high quality prints.

The cost for the coverage plus the disk of full resolution, fully edited images is \$750 plus tax.

In case you, like me, believe that photographs are meant to be seen and experienced - not stored on a disk - I also offer albums.

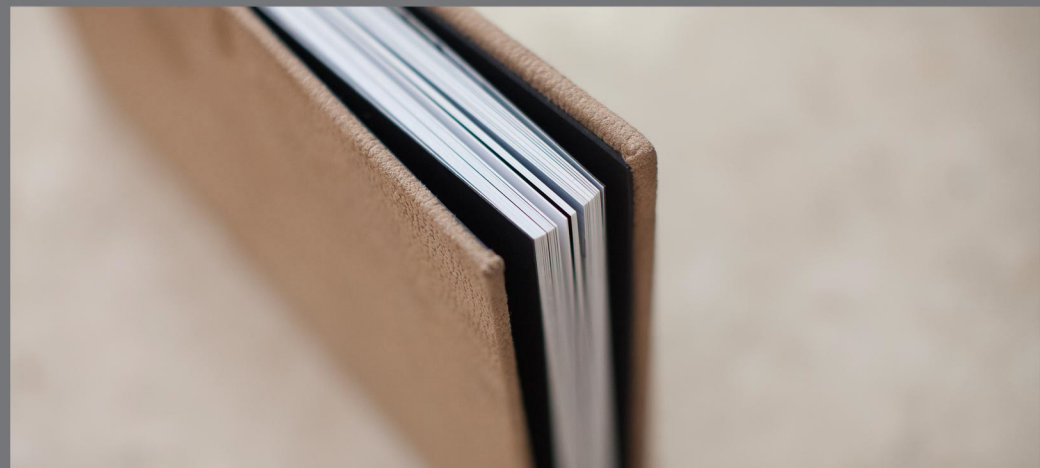

It is my belief that stories are told best in albums.

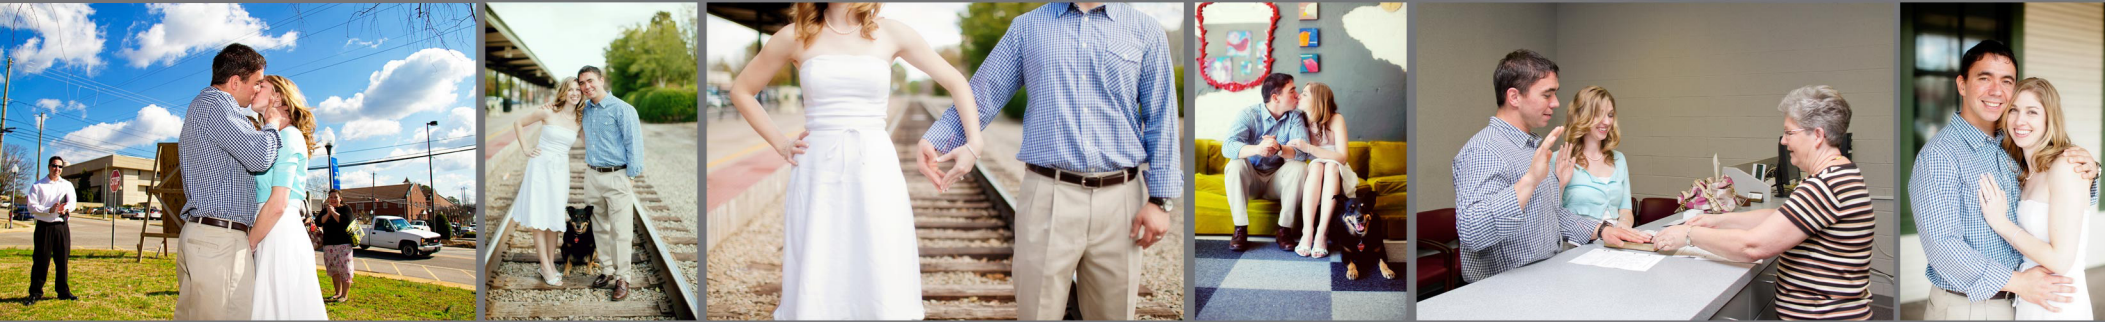

Having an album made from your images gives you something more tangible than bits of data on a disk to remember your wedding day and allows your story to be told in a more meaningful way.

Trust me, I have been there done that, and now looking back 10 years later I wish that I had a quality album full of beautiful images from my wedding day rather than a box of snapshots!

You can choose to add a 20 page 8x8 playbook with 20 of your best images for just \$315.

The playbook albums are simple and compact while still offering you the same level of quality as the albums that I provide for larger weddings. All albums are hand made in the USA.

Do you photograph weddings for same sex couples?

Absolutely! Love is beautiful no matter what form it comes in.

Do you offer small wedding and event coverage on Weekends?

Weekends are the busiest time for weddings and events, so all weekend dates are subject to availability. For Friday and Sunday events, add \$250. Saturday coverage starts at \$1500.

Do you charge travel fees?

I am based in Manassas, VA and events that require 1 hour or less of travel time each way do not require a travel fee. Events that are further away may incur additional expense. Contact me for a quote.

What if we need more than 2 hours of coverage?

Additional coverage (up to 4 hours total) can be added for \$250/hr. plus tax

What is required to reserve our date?

First, email me at molliet@gmail.com or call me at 910-988-8839 to see if your date is available.
